### **The Great - virtual read through** (Director / Vision Mixer)

*Vivid Broadcast*

1-5/2021

Live read through for 6 drama episodes, with all the actors joining from different locations via a live link. I was responsible for creating a multi camera script, directing and vision mixing the coverage of the read through.

### **Reggae Recipe Live** (Vision Mixer)

*Spiritland for ON AIR*

5/2021

Pre-recorded stream from an iconic nightclub in London, hosted by Ras Kwame and featuring some of the best contemporary reggae artists.

### **Rock Scene Presents - Amazon Music UK** (Director - Vision Mixer)

*Blast for Amazon*

04/2021

2 live specials featuring Frank Carter and The Rattlesnakes, Wargasm, Yonaka and Kid Kapichi. As well as directing the show I was also responsible for managing the OB crew on site, and liaising with the client. One of the episodes featured a 3 camera segment in an AR environment, which was based on one of the band's music videos.

### **Farfetch live sessions** (Vision Mixer)

*Studio Boum for Farfetch*

04/2021

Cinematic remote production filming in Vancouver, Seoul and London. I was responsible for vision mixing the Vancouver shoot, with feeds being streamed live from the cameras on location to the remote gallery in London.

### **HRVY behind closed doors** (Vision Mixer)

*Spiritland for ON AIR*

04/2021

Global live stream filmed at the Royal Albert Hall in London. The event was filmed in large format and using a cinematic multi-camera workflow.

### **Amazon Music Sessions on Twitch - UK** (Director / Vision Mixer)

*Blast for Amazon*

11/2020 - 04/2021

Weekly music shows streamed live on the Amazon Music app and on Twitch (14 episodes). The shows were filmed in remote production, and included live music performances and interviews with several artists joining from different locations.

### **+44 Takeover - Amazon Music UK** (Director / Vision Mixer)

*Blast for Amazon*

11/2020 - 03/2021

3 live specials streamed live on Twitch and on the Amazon Music app. These were filmed using a remote production solution, and using a combination of traditional camera channels and PTZ cameras.

### **Liberal Democrats Conference 2021** (Director / Vision Mixer)

*Vivid Broadcast for the Liberal Democrats*

03/2021

3 days of live panel discussions and debate. We also provided a live feed to Sky news, BBC news, and ITN for the leader's speech. I was responsible for leading the remote gallery team as well as directing the crew on site.

### **Amazon Music Sessions on Twitch - Germany** (Director / Vision Mixer)

*Blast for Amazon*

11/2020 - 03/2021

Weekly music show streamed live on the Amazon Music app and on Twitch (19 episodes). The shows were filmed in remote production, and included live music performances and interviews with several artists joining from different locations.

### **Amazon Music Sessions on Twitch - France** (Director / Vision Mixer)

Global live stream from the Sam Wanamaker playhouse in London.

### **Jamie Oliver live on Your Morning Canada** (Technical Producer - Vision Mixer)

*Jamie Oliver Productions*

12/2020

Live cooking segment on Your Morning Canada. I was the key point of contact with the client, and was responsible for ensuring a smooth delivery of the live feed overseas, whilst respecting strict editorial guidelines.

### **Naomi's Garden Christmas Fundraiser** (Director / Vision Mixer)

*Vivid Broadcast*

12/2020

Live fundraiser event. I was responsible for developing a visual look for the show, and leading the gallery team.

### **Genistar Conference** (Director / Vision Mixer)

*Vivid Broadcast for Genistar*

10/2020

Corporate event featuring a live studio as well as remote guests. I worked in an extremely fast paced and constantly changing environment, in which we constantly had to adapt the structure of the show to new covid restrictions which were imposed only a few days before the live programme.

### **Liberal Democrats Conference 2020** (Director / Vision Mixer)

*Vivid Broadcast for the Liberal Democrats*

9/2020

I was responsible for leading the gallery team during the coverage of some panel discussions, with a combination of contributors in the studio and remote guests.

### **The Barcolana** (Director / Technical Producer)

*A21 for BT Sport*

10/2019

Live broadcast of the biggest sailing race in the world. I was responsible for organising the live coverage and delivery of the event to several Rai channels (Italian national broadcaster) and BT Sport. I directed and vision mixed the host feed, and edited a one hour highlights programme. The event was distributed worldwide and had a potential outreach of 518 million households.

**Nigeria @ 60 (Editor)**

*Duck Productions*

10/2020

Music performances from Wizkid and Burna Boy aimed at celebrating Nigeria's diamond jubilee. I edited 2x 1 hour programmes in an extremely fast turnaround.

**African Water Crisis (Editor)**

*AFC for CGTN*

9-10/2020

Current affairs documentary revealing the challenges of living in some of the largest South African townships during the start of the covid 19 outbreak.

**The Weekend Workshop (Junior Editor)**
